In accordance with the Family Educational Rights and Privacy Act of 1974, this transcript is released on the condition that you will not permit any other party to have access to the information contained herein without the written consent of the individual whose record it is. ALTERATION OF THIS DOCUMENT IS A CRIMINAL OFFENSE.

ACADEMIC FRESH START: Students admitted under this program do not receive credit for courses taken 10 or more years before initial enrollment. Coursework and grades are displayed on the transcript but not counted in the grade-point average and semester credit hours.

ACCREDITATION: The University of Texas at San Antonio (UTSA) is fully accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. In addition, many academic departments and schools have received national accreditation from specific agencies. (<http://utsa.edu>).

COURSE NUMBERING SYSTEM: Prior to fall 1975, The University of Texas at San Antonio used a three-digit course number; the first digit indicated level, and the last digit indicated credit hour value. During this time The University offered only graduate-level courses, which were numbered 500 through 699. In the fall of 1975, courses were designated by a four-digit number following a two or three-letter abbreviation of the subject. All courses with a first digit of 0 are developmental educational courses; 1 or 2 are lower division courses; 3 or 4 are upper division courses; 5, 6, or 7 are graduate courses. The fourth digit indicates the semester credit hour value of the course. The University of Texas at San Antonio only awards semester credit hours.

DEAN'S LIST, PRESIDENT'S LIST, AND HONOR ROLL (undergraduate only): Beginning in the Fall 2003 semester, Dean's List and Honor Roll distinctions are posted on transcripts. President's List distinctions are posted beginning with the Fall 2005 semester. Beginning in the Fall 2013 semester, requirements for the President's List, Dean's List and the Honor Roll have changed. Go to <https://catalog.utsa.edu/policies>.

GRADE-POINT CALCULATION: GPA calculations on transcripts generated after February 1, 2000, do not round up but truncate to the second decimal place (example: 3.816 truncates to 3.81 with no rounding). Before that time, grade point averages were rounded up to the 1 one-hundredth of a point. The cumulative GPA reflected on the UTSA transcript only reflects UTSA coursework. Transferred coursework is not included in the cumulative GPA listed on the transcript.

Texas Education Code TEC 51.907, effective Fall 2007, states first time undergraduates may not drop more than 6 courses. "X" means exempt from TEC 51.907.

TEXAS SUCCESS INITIATIVE (TSI) - formerly Texas Academic Skills Program (TASP): This is a state-legislated program designed to improve student success in college. This transcript includes the status of the skill areas of reading, mathematics, and writing.

UT TELECAMPUS closed August 31, 2010. Online courses and programs are offered and supported by UT institutions participating in the UT Online Consortium (UOCC) now called Finish@UT (<https://utsystem.edu/finish>).

Beginning with the Fall 2011 semester, UTSA instituted a voluntary plus/minus grading system.
